Cowboy Dreamin' 7**

Samantha Harris has the perfect life. As country music's biggest and fastest rising star, she's got it made from the fancy bus to lots of money, but she doesn't have time for love. With a stalker hot on her trail, things can get ugly fast. Enter one hot, local cowboy named Jackson Young.

Jackson Young has had a wee bit of a crush on hot country star Samantha Harris for a while. Not one to miss an opportunity to get closer, he takes his soon to be sister in law's job offer to be Samantha's personal body guard for a benefit concert. When Samantha approaches him about a job on the side, he's all for it until he finds out she wants him to be her fake boyfriend so they can find out who is stalking her.

Will the ruse become a reality and what happens when the stalker is revealed? Will all of Samantha's demons tear her and Jackson apart before love can bloom?
